The Louisiana Bar Foundation (LBF) is a non-profit 501 (c) (3) entity organized under the state of Louisiana.

We exist to preserve, honor and improve our system of justice by funding, developing and otherwise promoting efforts which enhance the legal profession, increase public understanding of the legal system, and advance the reality of equal justice under the law.

The LBF supports programs that provide free legal services for the poor in all 64 parishes of the state of Louisiana.

The LBF strives to present a complete and accurate list of donors. This publication reflects support from July 1, 2014 to June 30, 2015. If a mistake has been made in your listing, we sincerely apologize and ask that you contact Danielle J. Marshall at (504) 561-1046 or danielle@raisingthebar.org so that we may correct our records.

In 2014, the LBF awarded $5.2 million in grants, to more than 70 deserving non-profit organizations and public interest legal aid attorneys for social justice initiatives throughout the state. Earlier this morning, the Board approved grant funding for the 2015-2016 fiscal year.

We continue to serve as administrator for the Child in Need of Care (CINC) Program providing free legal representation to children in foster care. Last year, the program provided representation to 3,508 children, made over 16,800 court appearances on their behalf and participated in more than 2,700 family team conferences. The CINC Program provides more than $2 million annually.

The LBF began serving as administrator of partial funding from the Office of the Louisiana Attorney General for the federal mortgage servicing settlement (MSS) in May 2013. Our agreement with the AGs office was extended for a second year, through June 2015. In partnership with the legal services corporations, Louisiana Appleseed and the Louisiana Civil Justice Center, this program provides free legal representation to affected consumers. As Administrator, the LBF provides governance and oversight of the funds and ensures program and financial compliance. The MSS program provides $1.3 million annually.

As you may recall, the Louisiana Supreme Court adopted Rule XLIII (43) naming the LBF a permissible recipient of Cy Pres funds in 2012. The LBF is the only organization specifically identified in the rule. In 2014, the LBF received 3 Cy Pres awards directed by Orleans Parish Civil District Court judges totaling $75,000. We thank the Court for directing unused administrative funds to the LBF and for their continued support!

In Partnership with Louisiana Appleseed, the Fellows Class Project is a way for new Fellows to become involved and be a part of the LBF mission. The current class is working on a project that focuses on identifying In Forma Pauperism (IFP) roadblocks and strategies to increase access to justice throughout Louisiana.

The Kid’s Chance Scholarship Program provides scholarships to children of workers who are permanently and totally disabled or killed in a work-related accident. The LBF awarded $45,000 in scholarships to 18 Louisiana students for the 2014-2015 school year. Since 2004, the program has awarded 218 scholarships totaling $407,100.

Through the Oral History Project, the LBF Education Committee produces a continuing series of oral histories of retiring judges, bar leaders and other legal personalities. Now, with the support of the Community Partnership Panels, the committee has been able to produce 3 times as many oral histories each year since 2012. The Oral Histories can be viewed on the LBF website.

The LBF’s nine regional Community Partnership Panels work to identify areas of need for LBF funding. The panels foster collaboration, respond to arising community needs and encourage local involvement in directing discretionary grant funds through a flexible process. The panels also provide nominations for the LBF Board, nominations for the distinguished awards and identify new LBF Fellows. In April, the panels hosted their Annual Events across the state. If you are not already working with your panel, we encourage you to contact your local chair to discuss current initiatives and relay information on any new projects or services that the panels should know about.

**Louisiana Campaign to Preserve Civil Legal Aid**

Today, it is estimated that 21 percent of Americans qualify for civil legal aid. *(from the Congressional office charged with monitoring LSC’s).* Nationwide, the Legal Services Corporation funds 134 legal aid programs. That’s down from the approximately 350 organizations the agency funded in the 1970s.

In Louisiana, our poverty population has continued to increase with above 20 percent at the federal poverty level, about 850,000 of our fellow citizens. There are an estimated 161,000 Louisiana households in poverty according to the 2012 American Community Survey/U.S. Census report. And in Louisiana we are down to 3 legal services corporations from an original number of 7, with legal aid supplemented by a patchwork of pro bono programs. The gap assessment by the Access to Justice Committee of several years ago estimated that only a third of Louisiana’s eligible clients receive legal aid assistance.
Today, the need is the highest with funding at the lowest. In 2015, 40 years later, we are operating legal aid offices at 1991 federal funding levels. Since 2011, LSC’s have sustained an almost 40 percent cut in federal funding. At the state level, Louisiana is one of only 4 states in our nation that provides no government funding.

On average, 25,000 clients are served annually by Louisiana’s legal services corporations. Because of challenging economic times and Louisiana’s high poverty rates, civil legal aid programs are struggling to provide essential services - barely meeting a third of the state’s poverty population’s needs.

Our citizens are facing very real life legal challenges: Imagine having your home taken away, your children taken away or being a victim of domestic violence and having no constitutional right to a lawyer. This is the reality facing thousands of low-income people in Louisiana who can’t afford a lawyer, as we remember that the constitutional guarantee of a lawyer does not apply to people fighting civil injustices – essential matters of personal safety, economic security and family support that can threaten basic survival.

Each day in the courtrooms across our state, our judges see the ever increasing number of appearances by our legal aid attorneys and pro bono attorneys. We have also seen the exploding number of “self-represented litigants”. The LBF awarded $5.2 million for social justice initiatives in 2014. Taken in total, currently, the LBF provides over 50% of all funding for civil legal aid in our state.

The Foundation is committed to doing more. We recognize that our state must fully address the funding needs of civil legal aid. And so we are undertaking a statewide campaign—the Louisiana Campaign to Preserve Civil Legal Aid. This campaign is committed to: raising awareness among all the citizens of our state of the vital importance of civil legal aid and to increasing funding to address the civil legal needs of our indigent population. What we are about strikes at the heart of our society—equal access to justice—an American core value.

This campaign is a challenge to fully serve all Louisiana households in poverty. The Campaign calls for fully funding a network of local and community based service components, which draw and build upon existing programs, that include:

- Significantly increasing full time staff attorney positions at the civil legal aid offices;
- Hosting Attorney Fellow positions at civil legal aid offices to collaborate with law schools to leveraging law student participation in the delivery of civil legal aid through clinics;
- Placing pro bono young lawyers within each Louisiana judicial district courthouse to assist with direct client advice, referral and case placement services;
- Establishing community self help centers and kiosks employing young lawyers and legal coordinators in each parish to provide court approved forms, guidance, referral and legal aid services information;
- Developing the statewide hotline call center to utilize attorneys, law students and client intake positions to provide information, referral and handling of brief service matters.

The Campaign will also educate the public so that they will understand, that in addition to being an essential element of the justice system, civil legal aid provides substantial economic benefits. You know the old saying “Money talks.” We want to make them understand.

The LSBA Economic Impact Study estimated that the Louisiana legal services programs provide an economic impact of between $70 million to $107 million annually in total economic transactions to the state. It also found that for every dollar spent, the state is getting back $2.40. In addition, Louisiana’s legal services programs support between 850 and 1300 jobs. The study assures that all dollars allocated to the legal services programs deliver unmistakable economic returns to the state as a whole.

Civil legal aid saves taxpayer dollars by:
- keeping families together;
- reducing domestic violence;
- helping children leave foster care more quickly;
- reducing evictions;
- increasing access to benefits;
- helping communities devastated by natural disasters, and
- offering indigent citizens a way out of poverty.

Our citizens need to understand that: Investing in civil legal aid is a powerful way to help people solve critical problems and prevent events that are harmful and expensive for society. Civil legal aid opens doors to the justice system and provides reinvestment in the community. Funding for civil legal aid will have a ripple effect, impacting not only the families served, but the community at large. Schools, businesses, government agencies and the state as a whole benefit from resolving civil legal problems.

I would like to thank Larry Shea and the State Bar leadership for partnering with us in the Campaign and the many dedicated volunteers serving on the committee. If you want to get involved, please let us know. We need your help!

It has been an honor to serve as your President. I thank the officers, board members, and our many volunteers for their hard work and dedication this year. I have truly enjoyed working with everyone on our important mission to serve the most vulnerable in our communities.

Annual Assembly and Awards

The LBF hosted the 5th Annual Assembly at the Hyatt Regency New Orleans in May. The two day event featured the Grants Committee meeting, Kids’ Chance Committee meeting, Annual Fellows Membership Meeting, Board of Directors meeting, Patron Party, and culminated with the 29th Annual Fellows Gala.

During the gala, honored were the 2014 Distinguished Jurist John W. Greene, Distinguished Attorney Allen L. Smith, Jr. (Posthumously), Distinguished Professor Gail S. Stephenson, and Calogero Justice Award recipient Marta-Ann Schnabel. Recognition is given to those individuals who, by reason of his or her professional activities, have distinguished themselves in their chosen profession and have brought credit and honor to the legal profession. Recognition is also given to an individual or organization for a significant contribution to the Louisiana justice system.

Harry J. “Skip” Philips was the recipients of the 2015 President’s Award, given in recognition of outstanding support, volunteer service and dedication and advancement of the mission and goals of the LBF. Philips is a longtime Fellow, serves on several LBF committees and dedicates countless volunteer hours. He is currently a member of the Campaign Committee and has been a Grants Committee member since 2008, chairing the LSC subcommittee. This year, he was instrumental in planning and facilitating our grantee board trainings that were designed to strengthen grantee leadership and improve our legal aid network. Philips is the managing partner at Taylor Porter Law Firm in Baton Rouge.

The LBF awarded the Baton Rouge Area Foundation (BRAF) the 2015 Horn Blower Award. This award is given to a partner organization in recognition of outstanding support and leadership in advancing a shared LBF initiative, project or program. The award was given to the BRAF in recognition of leadership and training on governance matters for the LBF and our grantees, the providers of free civil legal aid.

Eugene J. Sues, with the Alexandria firm of Gold, Weems, Bruser, Sues and Rundell received the LBF 2015 Curtis R. Boisfontaine Trial Advocacy Award. This award was established in memory of Curtis R. ## Mortgage Servicing Settlement
The LBF serves as administrator of funding on behalf of the Office of the Louisiana Attorney General for the federal mortgage servicing settlement. This program provides just over $1.5 million to the LBF for grants to the legal services corporations, Louisiana Appleseed, and the Louisiana Civil Justice Center. Free legal representation to affected consumers is available including but not limited to the homeless; veterans; service members and the unemployed in matters including financial counseling; wrongful foreclosure; foreclosure relief; loan modification; principal reduction; refinancing; foreclosure prevention and mediation; and bankruptcy.

## Oral History
The Education Committee produces a continuing series of oral histories. The series is a part of the Committee’s plans to systematically broaden the LBF’s work to preserve the history, culture and flavor of Louisiana Law. The goal is to put into place a system for regularly recording oral histories of retiring judges, bar leaders and other legal personalities. These video presentations will then be available for use in classrooms, Continuing Legal Education seminars and other venues to preserve, honor, and improve our system of justice.

## Pelican Center
The Pelican Center for Children and Families is a nonprofit organization that serves as a comprehensive education and training resource to support effective practice among legal and other professionals serving Louisiana's most vulnerable children and families.

## Scholar-in Residence
Intended to enhance the LBF’s overall educational program, and to support legal education in Louisiana by bringing the practicing bar and Louisiana’s law schools closer together. The Education Committee reviews applicants and makes a recommendation to the board. The S-I-R term is for two years and includes a $7,500 stipend. During these two years the scholar shall produce an academic work suitable for the intended LBF purpose. The S-I-R can be a professor, lawyer, law school dean, from the general public including teachers writers and other scholars.

## Secret Santa
Project of the LSBA/LBF Community Action Committee, this project pairs needy children with local attorneys who buy presents from the kid’s holiday wish list. Some of the wishes are as simple as clothes, a toy truck or a doll.

Golf Tournament Benefits LBF Kids’ Chance Program

The Louisiana Workers’ Compensation Corporation (LWCC) held its annual golf tournament September 2014 donating all proceeds to the Louisiana Bar Foundation (LBF) Kids’ Chance Scholarship Program.

At a ceremony prior to the golf tournament, LBF Kids’ chance co-chairs presented mock checks to scholarship recipients and a certificate of appreciation was presented to LWCC.
