President’s Message
Leo C. Hamilton

In May, the Foundation began serving as administrator of partial funding on behalf of the Office of the Louisiana Attorney General for the mortgage servicing settlement with the nation’s five largest mortgage servicers. Statewide services are provided by the 3 legal services corporations, 6 pro bono projects, LCJC and Louisiana Appleseed. The core services provided are direct assistance, counseling, representation and training. The program provides specialized training for participating attorneys, centralized intake and referrals, servicing abuse prevention, credit counseling, debt management and neighborhood clinics for veterans and active duty military personnel; housing counselors, as well as attorney representation for issues including wrongful foreclosure, foreclosure relief, loan modification, principal reduction and foreclosure prevention. As Administrator, the LBF provides governance and oversight of the funds and ensures program and financial compliance.

Now in our fifth year, we continue to serve as administrator for the Child in Need of Care (CINC) Program providing free legal representation to children in foster care. Last year, the program provided representation to 3,562 children, made over 13,000 court appearances on their behalf and participated in more than 2,900 family team conferences. The CINC Program provides $1.9 million annually.

In Partnership with Louisiana Appleseed, the Fellows Class Project is a way for new Fellows to become involved and be a part of the LBF mission. The current class is working on a project that assists individuals and communities with foreclosure and housing issues related to the national mortgage servicing settlement.

The Kid’s Chance Scholarship Program provides scholarships to children of workers who are permanently and totally disabled or killed in a work-related accident. The LBF awarded $44,500 in scholarships to 21 Louisiana students for the 2013-2014 school year. Since 2004, the program has awarded 200 scholarships totaling $362,100.

Through the Oral History Project, the LBF Education Committee produces a continuing series of oral histories of retiring judges, bar leaders and other legal personalities. Last year, the committee partnered with the Community Partnership Panels. Thanks to this partnership, the Education Committee was able to produce an additional 15 oral histories. The Oral Histories can be viewed on the LBF website.

The LBF Community Partnership Panels, a vision of the late, former LBF President Jock Scott, provide a local presence in communities; nominations for the LBF Board, nominations for the distinguished awards and direct discretionary funds through a flexible grants process to meet local needs.

Louisiana Campaign to Preserve Civil Legal Aid
The Board has been focused this past year on the critical need for funding Louisiana’s civil legal aid programs. As you know, civil legal aid provides free legal assistance to those who would otherwise go unrepresented and helps people solve critical, life-changing problems: WOMEN who are victims of domestic violence, CHILDREN who need a stable home or special education, the EDERLY whose economic security or healthcare is in jeopardy, DISABLED people denied opportunities and many others. Unlike in criminal cases, there is no constitutional guarantee of counsel in civil cases. We know that increased funding for civil legal aid will have a ripple effect, impacting not only the families served, but the community at large.

With an increasing client base and current funding drastically cut or eliminated, alternate sources of funding are needed to support our civil legal aid programs. Our legal aid system is in crisis our legal aid programs will not survive without our help. As the statewide, umbrella organization for legal aid funding, the LBF, together with the State Bar Association and other key legal aid organizations have united to launch the Louisiana Campaign to Preserve Civil Legal Aid. The purpose of the campaign is to raise funds for civil legal aid and grow the pool of dollars available for our grantees. The campaign is modeled after similar statewide campaigns in Washington, Oregon, California and Texas. These states have successful campaigns and are making a big impact in maintaining the services their legal aid programs provide.

For many months, the campaign committee has been busy meeting and planning this initiative. In January, a resolution supporting the campaign was passed by the House of Delegates at their Midyear Meeting. With the State Bar’s much needed, formal support, the committee is now making plans to roll out the campaign across the state through local and specialty bar associations and other legal organizations. Once we have the support of the bench and bar, the committee will then bring the campaign to the private sector and the public at large.

I want to say that it has been an honor to serve as your President. I thank the officers, board members and our many volunteers for their hard work and dedication this year. I have truly enjoyed working with you on our important mission to serve the most vulnerable in our communities.

Foundation Programs and Projects

Access to Justice
The Access to Justice Program is a cooperative venture of the Louisiana State Bar Association, the Louisiana Bar Foundation and the Louisiana legal services programs. The committee works to make others aware of the unmet needs of the poor for civil legal services, and can best assist by working toward solutions that can be realized in proper funding of legal services providers and increased participation by the legal community. The mission of the Access to Justice Committee is to support and help strengthen an integrated statewide network to increase the delivery of legal services to the poor of Louisiana.

Children in Need of Care (CINC)
The CINC program provides free legal representation to Louisiana children in foster care in partnership with the Louisiana legal service corporations, the Louisiana Department of Child and Family Services and the Louisiana Supreme Court. As administrator, the LBF provides governance and oversight of the funds and ensures program and financial compliance.

Fellows Class Project
In partnership with Louisiana Appleseed, the Fellows Class Project Series is a way for new Fellows to become involved and be a part of the LBF mission.

IOLTA
The Interest on Lawyers Trust Accounts (IOLTA) program is a unique partnership between the banking and legal communities that enhances the LBF’s ability to meet the growing need for free civil legal services to the poor.

Kids’ Chance Scholarship Program
Provides scholarships to the children of Louisiana workers who have been killed or permanently and totally disabled in an accident compensable under a state or federal Workers’ Compensation Act or law.

Law Signature Schools Courtroom Project
Provides funds for building a courtroom within school that have been designated as “Law Signature Schools” by the Louisiana Center for Law and Civic Education. Law Signature Schools have a core, law-related education curriculum available to high school students.

Louisiana Appleseed
Louisiana Appleseed is part of a network of public interest law centers in the U.S. and Mexico dedicated to building a just society through legal, legislative and institutional structural reform. Louisiana Appleseed asks top private practice lawyers, corporate counsel, law schools, civic leaders and other professionals to commit pro bono time to address problems at their root causes, producing practical, systemic solutions to effect change.
Mortgage Servicing Settlement
The LBF serves as administrator of funding on behalf of the Office of the Louisiana Attorney General for the federal mortgage servicing settlement. This program provides just over $1.5 million to the LBF for grants to the legal services corporations, Louisiana Appleseed, and the Louisiana Civil Justice Center. Free legal representation to affected consumers is available including but not limited to the homeless; veterans; service members and the unemployed in matters including financial counseling; wrongful foreclosure; foreclosure relief; loan modification; principal reduction; refinancing; foreclosure prevention and mediation; and bankruptcy.

Oral History
The Education Committee produces a continuing series of oral histories. The series is a part of the Committee’s plans to systematically broaden the LBF’s work to preserve the history, culture and flavor of Louisiana Law. The goal is to put into place a system for regularly recording oral histories of retiring judges, bar leaders and other legal personalities. These video presentations will then be available for use in classrooms, Continuing Legal Education seminars and other venues to preserve, honor, and improve our system of justice.

Scholar-in Residence
Intended to enhance the LBF’s overall educational program, and to support legal education in Louisiana by bringing the practicing bar and Louisiana’s law schools closer together. The Education Committee reviews applicants and makes a recommendation to the board. The S-I-R term is for two years and includes a $7,500 stipend. During these two years the scholar shall produce an academic work suitable for the intended LBF purpose. The S-I-R can be a professor, lawyer, law school dean, from the general public including teaches writers and other scholars.

Secret Santa
Project of the LSBA/LBF Community Action Committee, this project pairs needy children with local attorneys who buy presents from the kid’s holiday wish list. Some of the wishes are as simple as clothes, a toy truck or a doll.

Community Partnership Panels
The LBF has nine regional chapters. These Community Partnership Panels (CPP) work outside of the regular grant process to identify new areas of need for LBF funding, foster collaboration, respond to arising community needs and encourage local involvement in the designation of LBF grant funds.
