Louisiana Bar Foundation
President’s Message

Patricia Krebs

In 2012, the LBF awarded $4.5 million in grants to deserving non-profit organizations and public interest legal aid attorneys. Last year the board faced an approximate $550,000 budget shortfall. This year, although anticipated IOLTA revenue remains flat, the board was able to maintain grant budgets for 2013-2014 due to additional funding from two Cy Pres awards. The grant budgets prioritize direct legal representation and continue to promote other, important aspects of the LBF mission.

In September, the Louisiana Supreme Court adopted Rule XLIII (43), which names the Louisiana Bar Foundation as a permissible recipient of Cy Pres funds. The LBF is the only organization specifically identified in the new rule. We thank the Court for their continued commitment to ensure access to equal and fair representation of the indigent. Because of the tremendous need for civil legal aid for low income people in Louisiana, Cy Pres awards can go a long way toward meeting the need for legal services.

Beginning in May, the LBF will serve as administrator of partial funding from the Office of the Louisiana Attorney General for the federal mortgage servicing settlement. In partnership with the legal services corporations, Louisiana Appleseed and the Louisiana Civil Justice Center, the program will provide free legal representation to affected consumers including but not limited to the homeless, veterans, service members and the unemployed in matters including financial counseling, wrongful foreclosure, foreclosure relief, loan modification, principal reduction, refinancing, foreclosure prevention and mediation and bankruptcy.

I would like to thank the LSCs, Appleseed and the LCJC for partnering with us and for their work to get this new program up and running in a very short turnaround time. The program will provide $1.5 million to the LBF. As administrator, the LBF will provide governance and oversight of the funds and will ensure program and financial compliance.

Now in our fourth year, we continue to serve as administrator for the Child in Need of Care (CINC) Program providing free legal representation to children in foster care. Last fiscal year, the program provided representation to 3,482 children, made over 12,000 court appearances on their behalf and participated in more than 2,600 family team conferences. The CINC Program provides $1.9 million annually.

In Partnership with Louisiana Appleseed, the LBF Fellows Class of 2012 project launched in January and focuses on educating homeowners across our state about the importance of having clear title to generationally-inherited family property. Volunteers are helping to educate communities about the importance of clear title and are conducting targeted community outreach to those who would benefit from this information. Past projects include awareness of teen dating abuse, preserving homeownership through community outreach, domestic violence and equitable funding for special needs children.

The Kid’s Chance Scholarship Program provides scholarships to children of workers who are permanently and totally disabled or killed in a work-related accident. The LBF awarded $40,000 in scholarships to 23 Louisiana students for the 2012-2013 school year. Scholarships range from $1,000 to $3,000 and are funded by the Louisiana Workers Compensation Corporations Kids’ Chance Invitational Golf Tournament as well as individual and corporate donations. Since 2004, the program has awarded 179 scholarships totaling $317,600.

Through the Oral History Project, the LBF Education Committee produces a continuing series of oral histories of retiring judges, bar leaders and other legal personalities. This year, the committee partnered with the Community Partnership Panels to broaden and expand the LBF’s work to preserve the history, culture and flavor of Louisiana law. Thanks to this partnership, the Education Committee was able to produce an additional 10 oral histories this year. The oral histories can be viewed on the LBF website at www.raisingthebar.org and are available for use in classrooms, Continuing Legal Education seminars and other venues to preserve, honor, and improve our system of justice.

The LBF Community Partnership Panels, a vision of the late, former LBF President Jock Scott, have become the lifeblood of the Foundation. In addition to providing a local presence in communities, they work to identify new members, provide nominations for the LBF Board, nominations for the distinguished awards and direct discretionary funds through a flexible grants process to meet the local needs.

It has been an honor to serve as your President. I thank the officers, board members and our many volunteers for their hard work and dedication this year. I have truly enjoyed working on our important mission to serve the most vulnerable in our communities.

The Louisiana Bar Foundation (LBF) held the 3rd Annual Assembly at the Hyatt Regency New Orleans in April. The two day event featured the Grants Committee meeting, a Kids’ Chance Committee meeting, the Annual Fellows Membership Meeting, the Board of Directors meeting, the Distinguished Honoree Luncheon, and the 27th Annual Fellows Gala.

The Annual Fellows Membership Meeting is an opportunity for Fellows to be updated on LBF activities and elect new board members.

Christopher K. Ralston of Phelps Dunbar, LLP, was presented the President’s Award by Patricia A. Krebs, 2012-2013 LBF President, during the Annual Fellows Membership Meeting. This award is given in recognition of outstanding support, volunteer service, dedication, and the advancement of the mission and goals of the LBF. Ralston served this year and last year as co-chair of the gala and he currently co-chairs a Development subcommittee.
The Louisiana Bar Foundation’s Annual Fellows Gala is held every spring. Lawyers, judges and professors gather from across the state to support the LBF’s mission to preserve, honor and improve our system of justice by funding, developing or otherwise promoting efforts which enhance the legal profession, increase public understanding of the legal system and advance the reality of equal justice under the law.

Hon. Jay C. Zainey
United States District Court, Eastern District of Louisiana

He is a past President of the Louisiana State Bar Association. As President, he created the Community Action Committee and the Committee to Provide Legal Services for the Disabled. These two committees were purportedly the first of their kind in the nation.

Judge Zainey is co-founder of SOLACE which provides services to members of the bar association and the entire legal community and their family members who experience tragedies, and who otherwise have special needs. SOLACE Programs have now been developed in Rhode Island, Delaware, Georgia, Nevada, Nebraska, Puerto Rico, Louisville, St. Louis and El Paso and plans are underway to start programs in the District of Columbia and other cities throughout the country.

In May 2004, Judge Zainey organized the Homeless Experience Legal Protection (H.E.L.P.) Program. In this program, over 450 attorneys provide legal consultation services and notary services at four homeless centers in New Orleans. He has initiated similar programs in Baton Rouge, Lafayette, Opelousas, Lake Charles and Shreveport as well as in many other states.

Judge Zainey and his wife Joy founded the God’s Special Children Program for people with special needs, their families and friends. Judge Zainey and Joy also co-founded St. Andrew’s Village, a faith-based, long term living community for adults with disabilities. St. Andrew’s Village recently purchased land in Abita Springs and groundbreaking is scheduled for fall 2013. Judge Zainey proudly serves as President of the Board.

This training will address pertinent topics such as wrongful disclosure; foreclosure relief, loan modification; principal reduction; refinancing; foreclosure prevention and mediation; bankruptcy; and community blight remediation.
Every Child Counts

Children are the most vulnerable members of our society. In Louisiana, far too many children live in poverty or encounter some sort of abuse or neglect. The Louisiana Bar Foundation recognizes this and is committed to helping these children. The LBF works hard to help as many as possible receive the most help possible, through our grants program. Here are just a few examples.

Eric, an Orleans Parish deaf student, was expelled from school because of behavior problems directly related to a disability. The Advocacy Center, an LBF grantee, requested an Individualized Education Planning meeting on Eric’s behalf. Through that process, his parents were able to secure an appropriate educational plan for him. With his communication and behavioral needs being properly addressed, Eric is flourishing in his new school and receiving the education he deserves.

During a school presentation on abuse and neglect prevention, Sally became visibly upset and was immediately taken to the counselor’s office, where she revealed sexual abuse by a family friend. After reporting the situation to the Department of Children and Family Services, she was brought to the Baton Rouge Children’s Advocacy Center. During a forensic interview, she disclosed the extent of the abuse. The police department was alerted and the abuser was arrested. The Baton Rouge Children’s Advocacy Center and the Children’s Advocacy Centers of Louisiana, both LBF grantees, help kids like Sally every day. These organizations work with child protective services, law enforcement, prosecutors, and medical examiners to coordinate interviews in one location to minimize the child’s trauma. They provide comprehensive services in a manner that is child focused, supportive, and responsive.

Juvenile Justice Project of Louisiana, an LBF grantee, works to transform the juvenile justice system into one that builds on the strengths of young people, families, and communities to ensure children are given the greatest opportunities to grow and thrive.

Another LBF grantee, Juvenile Regional Services, works to help youth and their families, and to stop recidivism by meeting the underlying needs that can drive youth into the juvenile justice system.

The Wellspring’s Supervised Visitation Program provides safe and appropriate visitation between parents and their children in cases referred by the court system due to domestic violence, allegations of child abuse or neglect, parents with mental health problems, parents with alcohol or drug problems, and highly confidential divorce cases.

The Youth Service Bureau of St. Tammany provides advocacy, counseling, education, and intervention to help at-risk youth and their families reach their full potential. It operates six programs that help families learn to function in a healthy, safe, loving manner, free of the abuse and neglect that leads to serious adolescent behavioral challenges and juvenile delinquency.

These video presentations will then be available for use in classrooms, Continuing Legal Education seminars and other venues to preserve, honor, and improve our system of justice.

During these two years the scholar shall produce an academic work suitable for the intended LBF purpose. Dear Kids’ Chance Committee,

We can’t thank you enough for your support over the past years. You supported both of our sons, Brandon and Bryce through their college graduation. Both are successful, productive young men and we contribute much of their success to you. Brandon is now an ICU RN at Lafayette General Hospital and Bryce is in the IT department at Stone Energy. Our third, Leah is still at UL and thriving with your help. We will forever be in your debt.

Thanks again,
Sandra, Glenn, Brandon, Bryce & Leah LaGrange

Golf Tournament Benefits LBF Kids’ Chance Program

The Louisiana Workers’ Compensation Corporation (LWCC) held its annual golf tournament in September 2012 donating all proceeds to the Louisiana Bar Foundation (LBF) Kids’ Chance Scholarship Program.

At a ceremony prior to the golf tournament, LBF Kids’ Chance Co-Chairs presented mock checks to scholarship recipients and a certificate of appreciation was presented to LWCC.

The LBF Kids’ Chance Program has been the recipient of the LWCC golf tournament proceeds for the last nine years. All money raised goes to the scholarship fund.

For more information on Kids’ Chance or to find out how you can make a donation to the Kids’ Chance Scholarship Fund, contact Dennette Young at (504) 561-1046 or dennette@raisingthebar.org or visit www.raisingthebar.org/kidschance.
