The Louisiana Bar Foundation (LBF) is a non-profit 501 (c) (3) entity organized under the state of Louisiana. We exist to preserve, honor and improve our system of justice by funding, developing and otherwise promoting efforts which enhance the legal profession, increase public understanding of the legal system, and advance the reality of equal justice under the law. The LBF supports programs that provide free legal services for the poor in all 64 parishes of the state of Louisiana. The LBF strives to present a complete and accurate list of donors. This publication reflects support from July 1, 2018 to June 30, 2019. If a mistake has been made in your listing, we sincerely apologize and ask you to contact Danielle J. Marshall (504) 561-1046 or danielle@raisingthebar.org so we may correct our records.
It is my pleasure to report to you on the activities of the LBF and an amazing year.

The responsibility for meeting the legal needs of Louisiana’s poor falls on a network of nonprofit, civil legal aid organizations who serve our poorest citizens. The LBF is dedicated to funding civil legal aid through these organizations.

In 2018, we awarded more than $6.7 million in grants for social justice initiatives. I am very happy to announce that earlier this morning, the Board approved $4.7 million in annual, sustaining grants and we anticipate awarding approximately $8 million for the 2019-2020 fiscal year. This funding represents more than a million dollar increase over last year. Federal interest rate increases paired with the IOLTA Program rate comparability bank review are the reason for this increase.

In January we unveiled the findings of our 2018 Economic Impact and Social Return on Investment of Civil Legal Aid Services for Louisiana. Social Return on Investment, or SROI, is an internationally standardized and accepted process for measuring and understanding the financial impact of social services organizations. More than 40 of our grantees participated in the analysis. They provided assistance in more than 22,000 legal matters and provided services in more than 100 types of civil legal problems.

The Analysis revealed that for every $1 invested in Louisiana’s civil legal aid services, these programs deliver $9.13 in immediate and long-term financial benefits. The total net social return on investment for the fiscal year was 913%.

We continue to serve as the fiscal administrator for the Child In Need of Care Program in partnership with the Louisiana Supreme Court and the Department of Child and Family Services. Last fiscal year, the program served 5,018 children, made 15,105 court appearances on their behalf and participated in nearly 900 family team conferences.
The strategic plan also outlined a vision for 2021:

• **25% of the Bar are engaged members** – our membership and communications committee have plans underway to meet this goal;

• **Owning a well-maintained building with space for grantees** – the building committee is working on this initiative and has a target date of March 2021;

• **We have capital planning underway to raise $3 million** – to lead to a permanent endowment to support operations;

• **$12 million in available grant funding from more diversified sources** includes on-going IOLTA rate comp compliance, adequate Child in Need of Care funding, legislative advocacy, a committee working to identify new federal and state funding opportunities and the addition of unclaimed funds in IOLTA accounts are activities designed to help us succeed in this area;

• **Close external relationships with influencers who understand our mission** – progress in this area includes increased legislative advocacy work, outreach to the Louisiana executive branch and division of administration and community foundation outreach;

• **Increased governance mentoring for grantees** is ongoing with annual training, audits and reports;

• **In support of a more active public presence and perception as a funder of choice** we are utilizing social media platforms, our staff attends grantee events across the state, we participate in local bar events and we launched a communications plan for marketing and branding; and

• **Technology to provide services to our grantees** – we are making exciting progress in this area. In August, we hired tech consultant Amanda Brown. Amanda is developing an online, statewide point of access application called the Louisiana Civil Legal Navigator. The Navigator will use cutting edge technology including artificial intelligence to help people navigate and more easily access legal aid services. Users will be guided to available resources based on the nature of the matter and their personal circumstances.

  Amanda has been working to build the Navigator infrastructure including a network of partners and volunteers; the artificial intelligence component to accurately reflect the culture and language of our community and curated experiences – the product of a vast network of legal services attorneys and volunteers.

• The LBF’s nine, regional **Community Partnership Panels** work to identify areas of need for LBF funding and serve as our local eyes and ears. The panel members serve as liaisons to local grantees, foster collaboration with local stakeholders, respond to arising community needs and encourage local involvement in directing discretionary grant funds through a flexible process. **I am happy to share that panel funding for 2019-2020 will increase to $180,000**, $20,000 for each panel.
• Through the **Oral History Project**, the LBF produces a continuing series of oral histories of retiring judges, bar leaders and other legal personalities. We currently have a collection of more than 100 oral histories on the LBF website and our YouTube channel thanks to the work of our Community Partnership Panels and the Education Committee.

• The **Fellows Class Project** engages new Fellows. This year’s **LSC Liaison Project** is underway with Louisiana Appleseed and focuses on educating communities throughout Louisiana about the importance of the legal services corporations.

• The **Kid’s Chance Scholarship Program** provides scholarships to children of workers who are permanently and totally disabled or killed in a work-related accident. The LBF awarded $50,500 in scholarships to 15 Louisiana students for the 2018-2019 school year.

I am proud to be a member of an organization directly impacting the legal profession and the community at large. For most of us, the decision to practice law was inspired by an appreciation for the importance of the rule of law, of high ideals, of justice. Being a member of the LBF is a way to continue those aspirations and promote the ideal that all of us, no matter our place in society, are worthy of dignity. As president, I have enjoyed working to strengthen our partnership with the access to justice community and direct service providers. Thank you to the LBF staff and board of directors, all committed to making equal access to justice a reality in Louisiana.

Best Regards,

Mike Street

Peace, Love & Kids’ Chance

The Baton Rouge Workers’ Comp Section hosted their 9th annual fundraiser for LBF Kids’ Chance in late May after the original date was rained out. They raised over $6,000.00 this year, bringing the total raised for Kids’ Chance scholarships to $52,263 since 2011.
We mailed Kids’ Chance Care packages to our 2018-19 scholarship recipients. Care packages were composed of gift cards, snacks, and company swag including soft sided coolers, tee shirts, pens, and more from our donors. We also received a Kids’ Chance Awareness proclamation from Gov. John Bel Edwards office. We also hosted two Kids’ Chance Awareness events, a “Thank You Breakfast” for the LWCC Golf Tournament volunteers; and a Kids’ Chance “Meet and Greet” at Urban South Brewery in New Orleans.

For more information on Kids’ Chance or to find out how you can make a donation to the Kids’ Chance Scholarship Fund, contact Dennette Young at (504) 561-1046 or dennette@raisingthebar.org or visit www.raisingthebar.org/kidschance.
