The Louisiana Bar Foundation (LBF) is a non-profit 501 (c) (3) entity organized under the state of Louisiana.

We exist to preserve, honor and improve our system of justice by funding, developing and otherwise promoting efforts which enhance the legal profession, increase public understanding of the legal system, and advance the reality of equal justice under the law.

The LBF supports programs that provide free legal services for the poor in all 64 parishes of the state of Louisiana.

The LBF strives to present a complete and accurate list of donors. This publication reflects support from July 1, 2009 to June 30, 2010. If a mistake has been made in your listing, we sincerely apologize and ask that you contact Danielle J. Marshall at (504) 561-1046 or danielle@raisingthebar.org so that we may correct our records.

President’s Message

One of the most rewarding experiences as President of the Louisiana Bar Foundation (LBF) has been to meet so many of our generous and hard-working Fellows, judges and lawyers, and grantees across the state. Our Fellows truly understand the importance of access to justice and legal representation for everyone in Louisiana. If everyone is subject to the rule of law, then everyone must have access to the courts. Our dedicated volunteer Fellows exemplify the highest ideals of our profession. Our grantees provide legal aid to women, children, the elderly, people with disabilities, the newly unemployed, those facing loss of their homes, and those in need of government services provided by law. These organizations make a critical difference in the lives of countless Louisiana citizens who have limited means.

As the largest funder of legal aid in the state, we have awarded more than $40 million to deserving non-profit organizations to help meet legal needs since 1989. In November 2009, the Board approved more than $5 million in funding to be distributed over 18 months. These grants were made in the areas of legal assistance to the poor, law related education, loan repayment assistance, building capital development, community partnership panels and children’s legal services.

Much of our work this year has been dedicated to children, the most vulnerable members of society. We established the Children’s Legal Services Fund to provide special grants to give children access to special education and health-care services, mental health and foster care services. In addition, the fund provides support for advocacy in administrative and legal proceedings and impacts litigation and systemic legal reform on behalf of children. In a truly historic move forward, the Bar Foundation now serves as the administrator for the State and the Supreme Court for the Child in Need of Care (CINC) Program, which provides legal representation to all children in foster care.

We now have nine Community Partnership Panels operating across the state. In addition to providing a local presence in communities, these regional chapters help direct funding through a flexible grants process. Our newest panel, the Bayou Region CPP, chaired by Judge Jim McClelland, was established earlier this year and encompasses Lafourche, Terrebonne and St. Mary parishes. Our other eight panels are operating in Acadiana, Capital Area, Central, Greater Orleans, Northeast, Northwest, North Shore and Southwest. I encourage you to contact your local panel if you are aware of any new projects or services that would benefit from this flexible LBF funding.

And finally, the Southwest Louisiana Bar Association (SWLBA) and local volunteer leaders in partnership with the LBF’s Southwest CPP founded the Southwest Louisiana Bar Foundation. The SWLBA will help remove barriers and provide access to the justice system and will support worthy causes of a charitable nature related to the legal profession in the five parishes surrounding the Lake Charles area. The LBF Southwest Community Partnership Panel provided initial funding for the foundation.

In closing, I want to thank all of the individuals who have supported the Foundation during my year as President, especially, Herschel Richard, Mathile Abramson, Patricia Krebs and Leo Hamilton. It is an honor and a privilege to serve this collegial, effective and important organization. It makes me proud to be a Louisiana Bar Foundation Fellow and a lawyer.

The LBF established the Children’s Legal Services Fund to provide special grants to non-profit organizations giving children access to special education and health care services, mental health and foster care services. Additionally, the fund provides support for advocacy in administrative and legal proceedings and impacts litigation and systemic legal reform on behalf of children. Donations to the fund help to provide assistance to mentally and physically disabled children, children in the foster care system, children in the juvenile justice system and children who are not receiving access to educational services required by law.

The Law Signature School Project provides funds for building a courtroom within high schools that have been designated as “Law Signature Schools” by the Louisiana Center for Law and Civic Education. Law Signature Schools have a core, law-related education curriculum. This project builds upon the law signature program by collaborating with partners to create a courtroom environment for students. The Louisiana Bar Foundation (LBF) project goal is to foster interest and participation in the legal profession and to provide a better understanding of the justice system. Regardless of ultimate career choices, students will profit from having a greater understanding of the law and the political process.

LBF partnered with Lake Charles-Boston Academy of Learning and built the second LBF classroom to courtroom. It is a fully functioning courtroom at their Lake Charles campus. The courtroom is fitted with judge, jury and advocate seating and serves as the setting for mock trial competitions, speaker functions and future court proceedings. The first LBF courtroom was built at Northside High School in Lafayette in Spring of 2009.

**Fellows Class Project**

In partnership with Louisiana Appleseed, the LBF Fellows Class Project is a way for Fellows to become involved and be a part of the LBF mission.

The Class of 2009’s project, focusing on domestic violence (DV), began in January, 2010. Fellows have written a statutory analysis on the classification of strangulation as a felony or a misdemeanor in DV cases. The Fellows are adding legislative history and anecdotal information to complete the project.

The Class of 2008 received Louisiana Appleseed’s Good Apple Award for their project on *Equitable Funding for Special Needs Children*.
